About Liberty

Liberty Specialty Markets offers specialty and commercial insurance and reinsurance products across key UK, European, Middle East, US and other international locations. We provide brokers and insureds with a broad product range through both the Company and Lloyd's markets. Liberty Specialty Markets benefits from the full financial strength of the Liberty Mutual Insurance Group, a Boston-based US Fortune 100 company rated 'A' (Strong) by Standard & Poor's.

Overview

Lloyd's is the second largest surplus lines market in the US and licensed in numerous territories, with Liberty Specialty Markets being one of the largest of the Lloyd's providers.

We offer a competitive advantage through our superior service provided to coverholders, brokers and clients on all fronts, including quoting, policy issuance, claims and account management.

The team are well respected in the US and international markets for specialty property insurance. The underwriters have accessibility, creativity and authority to provide the decisions that our clients need, when they need them.

Our product range covers property and liability coverage for small and medium sized businesses, together with homeowner and dwelling coverage for individuals. Business is offered in all States of the US via delegated binding authority arrangements, mainly with wholesale brokers. We also target business in Canada, Australia and New Zealand but have the capability to write worldwide, including the UK and EU.
