

## War and Terrorism

**Liberty**  
Specialty Markets

We Insure. You Prosper.

## Overview

The risk of terrorism, lone wolf style events, sabotage, war and political instability continues to grow across the globe.

Liberty Specialty Markets provides market-leading War and Terrorism (re)insurance cover worldwide.

## War and Terrorism

With the risk of a terrorist attack ever increasing across the globe, we continue to act as a market-leader writing a worldwide book of war and terrorism (re)insurance cover.

Providing cover against terrorist attacks or political instability allows our clients to prosper in the current global climate. We write business via our Lloyd's syndicate and company platform (rated 'A+' Strong by Standard & Poor's) and through our global distribution network of Liberty offices, working with domestic and international brokers. We currently have specialist underwriters in Dubai, Singapore, Brazil and New York in addition to our London head office operation.

A wide variety of terrorism risks are written across a broad cross section of industries. The focus of the book is to underwrite high quality business in partnership with our clients.

### Help when clients need it most

Our clients benefit from our commitment to providing a consistent, efficient and responsive claims handling service. Our claims philosophy is to work in close partnership with our clients and brokers so that valid claims are paid promptly.

Line size

USD 200 million

Providing cover against terrorist attacks or political instability allows our clients to prosper in the current global climate.
