Liberty Specialty Markets

Who we are

Liberty Specialty Markets offers specialty and commercial insurance and reinsurance products across key UK, European, Middle East, US and other international locations. We have over 1,700 employees in approximately 65 offices around the world.

Liberty Specialty Markets was established in September 2013 bringing together Liberty's company, syndicate and reinsurance operations into one combined operation, composed of three business units: Commercial, Specialty and Reinsurance. This integrated approach means brokers and clients can benefit from our global reach and operating efficiencies.

Why choose Liberty?

Liberty's private ownership gives us a unique perspective on your risk. Not being driven by short term thinking means we can invest time and energy to develop tailor made services and solutions that support you, and evolve with you, over the long term.

We offer continuity and stability, delivered to you through the technical expertise of our staff, who are always willing to guide, assist and advise. Through the cycles of certainty and more vitally, uncertainty, we are committed to putting you at the heart of everything to help you prosper.

What we do

We provide brokers and insureds with a broad product range through both the Company and Lloyd's markets backed by first class claims handling.
