Your business doesn't stand still and neither do we. We're constantly evolving our products and services, investing in people and resources, and building our global distribution network – bringing you continuity and reassurance in a changing world.

Claims confidence

Aligned with the Liberty Claims Charter, our Directors & Officers team has years of experience, both in and out of industry. Globally we've seen these claims from all angles – risk management, broking, private practice, and in-house insurance management. Across our worldwide office network, there's not much we haven't seen before.

As a recognised lead market, we're always guided by the client's best interests. Strong technical expertise enables us to keep control of the claim, with appropriate specialist support where necessary. We are always focused on handling your claim as quickly as possible.

Unlocking opportunities

With over a century of insurance experience, we've learned a thing or two about risk. We're dedicated to developing products and solutions for our clients, whether it's a variety of specialist coverages, a customised wording, or guidance on emerging exposures.
