We Insure. You Prosper.

We offer a bespoke range of well-respected Personal Accident insurance products for individuals or groups against death or disability, whether on a permanent or temporary basis, tailored to the specific needs of our clients.

Benefit-based policies can be purchased in the event of death or disability preventing the insured from fulfilling their contractual obligations. Alternatively, an insured may wish to cover their temporary incapacity, which indemnifies against loss of potential earnings in the event of accident or illness.

Coupled with additional benefits such as travel or expatriate medical expenses, cover can be shaped to suit clients' interests, and we specialise in providing flexible cover where appropriate. Our policies are underwritten through Lloyd's of London which is rated A+ (Strong) from Standard & Poor's.
