INSURANCE

We Insure. You Prosper.

We have been successfully delivering Professional Indemnity (PI) Insurance to a wide range of businesses of all sizes from our Irish operation for over 15 years.

Our highly experienced underwriters have developed a suite of PI products which are suitable for all key professions. We recognise that each business is different and work with brokers and

clients to arrange cover with the specific needs of that organisation or individual in mind. Also our claims department offers the highest levels of service and support when a claim occurs.

Our offices in the UK and European regional markets are well respected and provide essential local underwriting knowledge. All our offices will consider firms of any size on both a primary and excess layer basis.
