

Contingency

Delivering shared success

As a mutual company, we focus not on shareholders and stock markets, but on our policyholders and partners. We take time to get to know your business and what you need from your insurance solution.

Our underwriting involves a thorough analysis of your risks, backed by a deep understanding of your industry, while our integrated underwriting, claims and risk management offers you a creative risk-transfer solution.

Solutions for your most complex risks

We're ranked number one for writing Contingency insurance in the music industry and we're one of the top three insurers in the world for the pop/rock industry. We're well known for our industry knowledge and passion for live entertainment and music events.

With decades of combined industry experience across sports, leisure and entertainment, we know our clients better than anyone else. Which means we can anticipate your insurance needs and provide creative insurance solutions tailored to you and your events.

At a time when competitors are leaving the market, our bespoke Contingency products are in demand more than ever.

Line Size: USD 15m per risk.

- Corporations fully involved in the industry (regular clients).
- Corporations seeking one-off solution(s).

With you for the long term

Being a mutual means we're consistent and here for the long term. Our experienced teams are resourceful, responsive and empowered to make decisions quickly. You'll benefit from our technical underwriting capabilities, the strength of our relationships with our broker partners, and our unique approach to claims service.

Because what's good for you, is good for us.

Continuity in a changing world

Some clients have been with us for over 20 years. Why do they stay so long? Because we have a culture of flexibility and transparency. Quite simply: we do the right thing.

Your business doesn't stand still and neither do we. We're constantly evolving our products and services, investing in people and resources, and building our global distribution network – bringing you continuity and reassurance in a changing world.

Plus, our dedicated Contingency team is on call 24/7. So, you can trust us to deliver our personal, first-class service any time of day, all year round.

Claims confidence

Our London and European-based Contingency teams have high levels of local settlement authority, supported by a global network of technical capability – designed to give you direct access to decision-makers and global experience anywhere in the world, 24/7.

As a recognised lead market, our strong technical expertise enables us to keep control of the claim, with appropriate specialist support where necessary. Ultimately we promise to deal in partnerships with our underwriting teams, brokers and adjusters, to ensure we are always focused on handling your claim as quickly as possible.

Claims+

In addition to our claims charter and promise, where appropriate, we offer extra value-add services at pre-placement, post-placement, and post-loss stages. Designed to ensure your claims experience – even without a claim – is as good as we can make it.

Unlocking opportunities

With over a century of insurance experience, we've learned a thing or two about risk. We're dedicated to developing products and solutions for our clients, whether it's a variety of specialist coverages, a customised wording, or guidance on emerging exposures.
