

Fine Art & Specie

Delivering shared success

As a mutual company, we focus not on shareholders and stock markets, but on our policyholders and partners. We take time to get to know your business and what you need from your insurance solution.

Our underwriting involves a thorough analysis of your risks, backed by a deep understanding of your industry, while our integrated underwriting, claims and risk management offers you a creative risk-transfer solution.

Solutions for your most complex risks

Our international Fine Art & Specie team provide cover for the physical loss or damage of valuables whether on display, in storage or in transit.

Covering fine art, general specie, jewellers block and cash in transit, our experienced team underwrites a global portfolio, which includes world-famous museums and multinational banks. Our coverage is broad and our knowledge is specialist.

When insuring precious investments, we understand the need for assurance and confidence, which is why we offer direct access to our underwriters to ensure peace of mind each step of the way.

Unlocking opportunities

With over a century of insurance experience, we've learned a thing or two about risk. We're dedicated to developing products and solutions for our clients, whether it's a variety of specialist coverages, a customised wording or guidance on emerging exposures.
