

Agriculture & Weather

Liberty Mutual Re underwrites Worldwide Agriculture & Weather business from our Paris office. Our pricing expertise and innovative approach enable us to respond rapidly to our clients, cedants and brokers by providing a structured and tailored service.

Our expertise

With the shift occurring from government support and subsidisation of crop risks, there is a growing reliance on insurance to support Agriculture risk management. At Liberty Mutual Re we offer a wide range of covers for these risks.

The Agriculture & Weather team is staffed by leading market talents, writing Worldwide Hail, Multi Peril Crop, Index Based Covers, Aquaculture, Forestry and Livestock Products. These products can be provided on a treaty proportional or non proportional basis as well as on a facultative basis.

The team is renowned within the market for providing a high quality of service, which is at the heart of our business model, leading to excellent relationships with our clients and brokers.
